

# HOUSE OF THE WEEK

## CONTEMPORARY FARMHOUSE WITH MAJOR CURB APPEAL

©www.ePlans.com

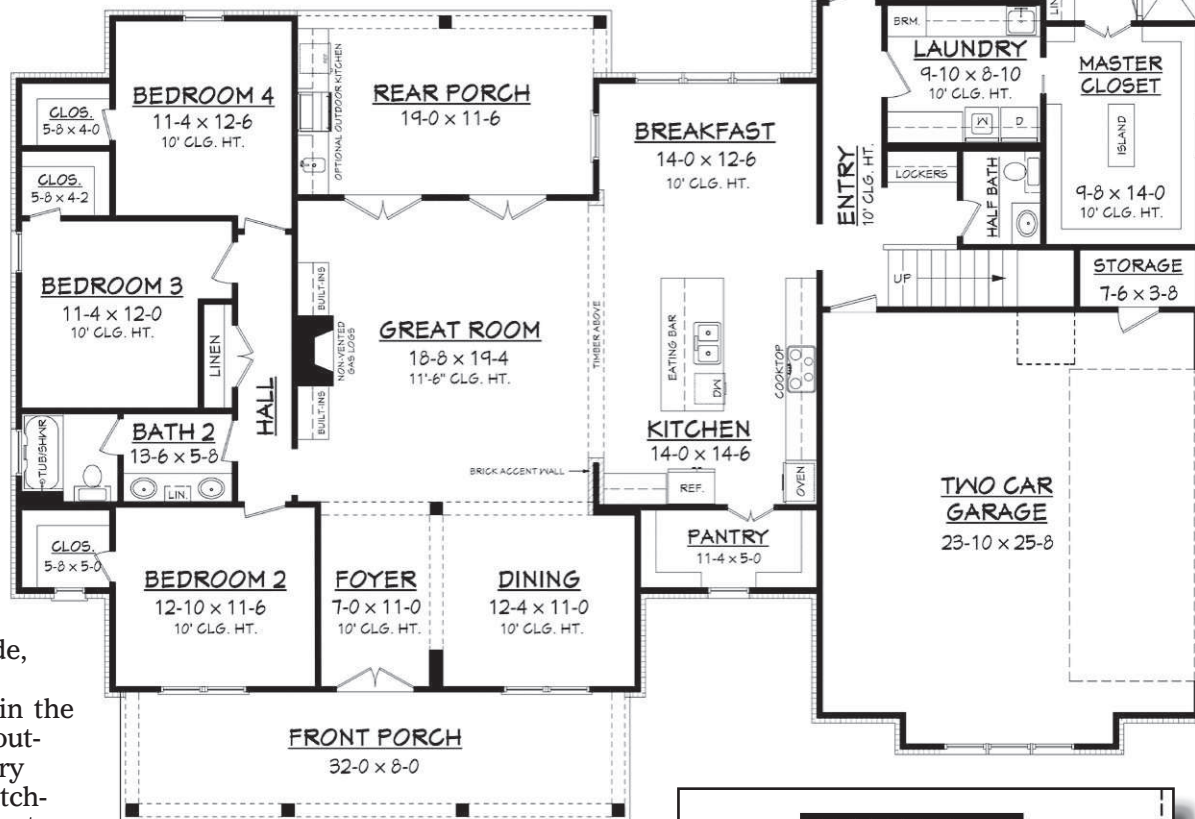

An inviting front porch, board-and-batten siding, large windows, and French doors deliver high style and curb appeal.

This contemporary version of a classic farmhouse displays eye-catching curb appeal. A wide porch welcomes visitors inside, where the open layout encourages a relaxed lifestyle. Serve up snacks at the kitchen's island or sit down for an elegant meal in the dining room. In warmer weather, the rear porch beckons you outside. You'll find tons of storage throughout the home, with every bedroom boasting a walk-in closet and a huge pantry in the kitchen. The master suite's closet opens directly to the laundry room to make it easy to throw in a load. A large bonus suite upstairs can be finished now or later.
